

DARKMATTERX

SPONSORSHIP APPLICATION 2022

Please read the application thoroughly, complete it to the best of your ability, sign and email it back to us at:

Marketing@darkmatterx.com

Sponsorship

The Dark MatterX sponsorship offers successful applicants the following:

- 1.) Discounts on our products.
- 2.) Opportunities to test new products.
- 3.) Promotion on our social media accounts.

The applicant of this form shall agree to the following and promote Dark MatterX in good nature.

- 1.) Install Dark MatterX's windshield banner and the DM-1 Shifter on the vehicle listed on this application.
- 2.) Have Dark MatterX's social media handle tagged in all of their listed social media profiles.
- 3.) Agree to reposting of social media content and that it may be watermarked with the Dark MatterX logo.
- 4.) Where applicable, the applicant will promote Dark MatterX in (but not limited to) the following ways:
 - a. YouTube videos
 - b. Forum reviews
 - c. Social Media posts
 - d. Car Meets

The above listed items will help us during the review of your application and determine the applicable sponsorship level, should one be awarded.

About You

Please tell us more about yourself! Some of the topics we are looking for are listed below.

1. What are your goals with this sponsorship?
2. How do you plan to promote Dark MatterX on your social media platforms?
3. How do you plan to represent Dark MatterX in the Subaru community?
4. Tell us anything else about yourself that you feel is applicable.

Dark MatterX reserves the right to terminate this agreement at any time. If sponsorship is granted, this agreement shall be for one year, starting on the date the applicant is notified. The applicant agrees to not speak or post on any internet platform in poor taste of Dark MatterX or any of its products. The applicant agrees that there will be no poor reflection of Dark MatterX and its products that affects the perceived value of the brand and products. By signing below, the applicant agrees to all terms and conditions of this application.
